

NAUFILA

RED WINE

GRAPE VARIETIES

60% Cabernet Sauvignon, 40% Merlot

TERROIR

- **ORIGIN**

AOP Bordeaux

- **SOIL**

Gravels, clay-limestone.

- **CLIMATE**

Oceanic.

WINE

- **TASTING NOTES**

Naufila Bordeaux is a unique and authentic result of the blend of Cabernet Sauvignon and Merlot. Aromas such as green pepper or mint are as original as unexpected. The Merlot linked with the Cabernet Sauvignon give a fruity flavour character.

- **WINE-MAKING & AGEING**

Traditional vinification. Cold pre-maceration during four days at a temperature below 12°C. Long fermenting time (18 days). Ageing in French oak barrels for one part of the wine and in thermo-regulated stainless steel for the other part. Bottling in Bordeaux.

ALC.

12,5% vol.

STORAGE TEMPERATURE

Constant, between 10 to 12° Celsius

SERVING TEMPERATURE

14° to 16° Celsius

STORAGE

5 years
